ÉDITION 2026

Bienvenue dans *l'atelier.*

Choupchoup au Laser, c'est un atelier de gravure installé en Martinique, à Saint-Esprit. Chaque pièce est gravée à la commande, sur ardoise, bois ou autres matériaux, avec un soin particulier pour le détail et le rendu.

Ce catalogue rassemble les visuels disponibles à la gravure pour vos boutiques et points de vente. Choisissez les références qui vous parlent — en communiquant simplement leur code (par ex. Col02, Por15, Tor07) — et nous nous occupons du reste : préparation des fichiers, gravure, finition, livraison.

Les visuels sont en noir et blanc, conçus pour le rendu à la gravure laser. Déclinables sur de nombreux supports : ardoise 14×22, 20×20, bois, verre, cuir, métal, MDF, aluminium ou sur-mesure.
